

**Rev It Up Reading Announces the Release of the
10 Days to Faster Reading Audio Book**

New Audio Version Includes Accompanying Interviews

Wallingford, CT — September 9, 2014 — Now people can learn the simple secrets to faster reading WITHOUT reading! *10 Days to Faster Reading* author Abby Marks Beale has taken her popular book and recorded the most essential strategies needed for becoming a better and faster reader. The audio book includes some modest updates to the 2001 manuscript and offers more about reading on screens and how to manage information overload. Buyers will also be encouraged to purchase the *10 Days to Faster Reading* eBook or paperback so they can also do the timed reading exercises and track their progress.

Abby Marks Beale is America's #1 Speed Reading Expert and the founder of Rev It Up Reading, a speed reading training company. For the past 25 years, she has taught speed reading to busy professionals, educators and students and is also the creator of the Rev It Up Reading Online Reading Course.

"I am thrilled about the release of the *10 Days to Faster Reading* audio book," said Marks Beale. "I've wanted to produce this audio version for a long time because I know that there are some people who want to improve their reading skills but DON'T want to read in order to do it! I'm happy to offer them this audio program that shares simple and valuable strategies to rev up their reading skills. Since most people haven't had any reading training since elementary school, there is a great need for this advice!"

The *10 Days to Faster Reading* audio book includes 10 bonus interviews with successful experts in various fields offering reflection on the book content. Pat Wyman, founder of HowToLearn.com, and Dr. Willie Jolley, The Attitude and Achievement Expert, are among those who have contributed their wisdom and were interviewed by Marks Beale. The *10 Days to Faster Reading* audio book is now available for immediate purchase online through Audible, Amazon and iTunes.
